

ALLIANCE CHRISTIAN SCHOOL DISTRICT

Growing Together Gala

APRIL 12 2024

You're invited to help us grow together!

The mission of Alliance Christian School District is to enable students to discover their place in God's story through excellent education and discipleship. A key part of fulfilling this mission is the support of our generous donors and financial partners who give to this ministry.

With your help, Alliance Christian can truly make a difference in the lives of its students and through them, a difference in our communities. Your giving helps to fund the programs, scholarships, and events that make our school system effective.

Thank you for considering how you can be a part of the continuing story God is writing through Alliance Christian School District!
